## UNFRAMED ART RACK SUBMISSIONS

Members in good standing may have 3 unframed pieces in the unframed art rack for 3 months. Three-month fee will be \$15.00. Commission and handling fees are the same as wall entries. Work must be member's original art or high-quality prints of original art, mounted on sturdy board (preferably matt board or foam core), in a protective sleeve, and with a label (see below) attached on the back in the upper left corner <u>inside</u> the protective sleeve.

Minimum price of item is \$25.00. Items sold within the 3 months period may be replaced at no additional cost for the remaining time. Artists will maintain their artist log in the Unframed Art Binder (yellow pages). Failure to keep entries up to date will result in loss of rack privileges for 6 months.
